Quarantine & Self-health Management Procedures

Important Information :

- ❑ People who have been vaccinated still need to be put under the quarantine for 14 days and take self-health management for 7 days.
- ❑ On the 10th day of the quarantine, use the Home Test Kit by yourself and report to us the result (Home Test kit will be given to you at the airport. If you lose it, you need to buy the same brand of Home Test Kit for you to complete the test required by Taiwan government)
- ❑ On the 12th day of the quarantine, you have to do a PCR test at designated hospital . (you will have to pay for the hospital registration fee and transportation fee, PCR test fee will be paid by Taiwan government.)
- ❑ Quarantine at government-arranged facility, all the Covid test procedures and fees will be responsible and covered by the government.
- ❑ When you complete your quarantine on the 15th day, you need to take a taxi to your rental place with private room and bathroom.
- ❑ After you complete the 7 days self-health management, you may come to school campus or school dorm.

Entry procedures for international degree-seeking students in Fall semester 2021:

14-day quarantine requirement	<p>All students coming to Taiwan are required to complete 14-day quarantine requirement, staying in government-arranged quarantine facilities, which is strongly advised, or quarantine hotels.</p>
Students stay in government-arranged quarantine facilities	<p>Students will be guided and assisted from the airport until checking in the quarantine facilities. At the time of arriving at the quarantine facilities, students must take a COVID-19 RT-PCR test. Students must take a rapid home test between the 10th and 12th day, and take a PCR test between the 12th and 14th day at the end of the quarantine period. If the test results are negative, students can leave the quarantine facilities when completing the 14-day requirement.</p> <p>All students must have a PCR test at the end of the quarantine period. If tested positive, coronavirus genomic sequencing will be conducted. If showing symptoms of fever, loss of taste or smell, diarrhea or respiratory symptoms during the quarantine period, students must take a PCR test on Day 15 after the quarantine period ends.</p> <p>*Students entering via airport or port (transits included) who have visited key high-risk countries (including the following eight countries: Brazil, India, the United Kingdom, Peru, Israel, Indonesia, Bangladesh and Myanmar) in the last 14 days, must stay at government-arranged quarantine facilities. Such students will not be required to pay government-arranged quarantine facility accommodation and testing fees.</p> <p>*Students, if not entering from the above-mentioned eight countries, should <u>self-pay</u> your own expenses for government-arranged quarantine facility accommodation and testing fees, i.e. NT\$1500 per day *14 days=NT\$21000</p>

Entry procedures for international degree-seeking students in Fall semester 2021:

14-day quarantine requirement	<p>All students coming to Taiwan are required to complete 14-day quarantine requirement, staying in government-arranged quarantine facilities, which is strongly advised, or quarantine hotels.</p> <p>* You need to book a quarantine hotel by yourself (https://taiwan.taiwanstay.net.tw/covhotel/)</p> <p>The quarantine hotel fee is around NT\$2500-3000 (per person/ per room) *14 days=NT\$35000-42000 (excluding meals).</p>
Students stay in quarantine hotel	<p>Students must take a deep-throat saliva specimen for COVID-19 RT-PCR test upon arrival at the airport in Taiwan and take a quarantine vehicle to the quarantine hotel where you plan to complete quarantine at your own expense for the 14-day quarantine. Such students shall take a rapid home test on the 10th day of the quarantine period, and also a PCR test on the 12th. School should help students to contact hospitals for arranging the PCR test at the hospital nearby.</p> <p>All students must have a PCR test at the end of the quarantine period. If tested positive, coronavirus genomic sequencing will be conducted. If showing symptoms of fever, loss of taste or smell, diarrhea or respiratory symptoms during the quarantine period, students must take a PCR test on Day 15 after the quarantine period ends.</p>

Entry procedures for international degree-seeking students in Fall semester 2021:

7-day self-health management	<p>Students must complete 14-day quarantine requirement and 7-day self-health management. School should keep track of student's health status.</p>
Stay in hotels 、 private apartment or school- arranged self- health management dormitory	<p>Students can arrange your own accommodation for undergoing 7-day self-health management, at a hotel, private apartment (one person per room), or school-arranged self-health management dormitory (one person per room). If students wish to stay at school-arranged self-health management dormitory, the fee is NT\$800 per day, excluding daily meals, electricity bills, beddings and personal necessities. For more information about self-health management, please refer to "<u>Self-Health Management Notice</u>".</p>

Step by Step for international degree-seeking students

Arrival in TPE Airport:

Report to MOE Counter	Step 4. Report to Ministry of Education Overseas Students Reception Counter 1. Before landing, please use the restroom on the plane. Turn on your mobile WiFi and report to OISS through LINE app. OISS will assist you through the entry procedure. 2. After claiming your baggage and arriving at the Arrival Hall, please report to MOE Overseas Students Reception Counter, located at Terminal 1 and Terminal 2, and reconfirm your Entry Permit and quarantine reservation.
Stay in government-arranged quarantine facilities on your own expenses	Step 5. Quarantine Transportation Arrangement 1. After checking in the MOE Overseas Students Reception Counter, you will be arranged to take a quarantine taxi to your quarantine facility. PCR test will be conducted when you arrive at the quarantine facility. 2. Do not use public transportation.

14-day Quarantine Requirement:

Students stay in government-arranged quarantine facilities

*Students entering via airport or port (transits included) who have visited key high-risk countries (including the following eight countries: Brazil, India, the United Kingdom, Peru, Israel, Indonesia, Bangladesh and Myanmar) in the last 14 days, must stay at government-arranged quarantine facilities.

Step 6. Check in Government-arranged Quarantine Facilities

1. At the time of arriving at the quarantine facilities, students must take a COVID-19 RT-PCR test. Students must take a rapid home test between the 10th and 12th day, and take a PCR test between the 12th and 14th day at the end of the quarantine period. If the test results are negative, students can leave the quarantine facilities when completing the 14-day requirement. All students must have a PCR test at the end of the quarantine period. If tested positive, coronavirus genomic sequencing will be conducted. If showing symptoms of fever, loss of taste or smell, diarrhea or respiratory symptoms during the quarantine period, students must take a PCR test on Day 15 after the quarantine period ends.
2. Receive a quarantine bag, watch CDC videos
3. Download “Disease Containment Expert” to your mobile to monitor/ report your daily health condition
4. If showing symptoms of fever or respiratory symptoms during the quarantine period, students must inform MCU teachers or Call 1922 hotline for instructions.

7-day Self-Health Management:

<p>Stay in hotels</p>	<p>Students can arrange your own accommodation by booking a hotel for undergoing 7-day self-health management.</p> <p>The hotel fee is around NT\$2500-3000 (per person/ per room) *7 days=NT\$17500-21000 (excluding meals).</p>
<p>Stay in school-arranged self-health management dormitory</p>	<p>MCU self-health management dormitory:</p> <p>The fee is NT\$800 per day * 7 days = NT\$5600, plus additional NT\$5000 for daily meals, electricity bills, beddings and personal necessities.</p> <p>Please note that MCU self-health management dormitory rooms are limited and will be allocated on a first come first served basis. Questions?

Q. Should I get vaccinated before entering Taiwan?

A. Please follow your government vaccine policy.

Please be reminded that students still need to follow the entry procedures (14-day quarantine, plus 7-day self-health management) and pandemic prevention measures formulated by Taiwanese government even if you were vaccinated already.

Q. Can I get vaccinated in Taiwan?

A. After staying in Taiwan for more than 6 months, with the Alien Residence Certificate (ARC), international students can self-pay to join the National Healthy Insurance (NHI), the healthcare system in Taiwan, and follow the instructions of the Taiwanese government to register online to receive a vaccine shot.
